

16th June 2020

Dear Caroline and All the Volunteers at Appleby Emergency Response Group

I am delighted to present you with the **High Sheriff of Cumbria Special Recognition Award**.

The Award is made to a volunteer, voluntary group or individual who has made an outstanding contribution to the community in Cumbria during the difficult circumstances brought about by the Covid-19 pandemic.

Your group was nominated for the excellent support given to your local community in Appleby. Together you have provided people with the communications, reassurance and assistance they need. Your active service has made such a positive difference to the lives of many local people.

Please accept this certificate and letter in recognition of your group's very special contribution that helps make Cumbria a better place. On behalf of the people of Cumbria, thank you for your kind and generous service.

It would be a pleasure to share in the media your group's name and the way together you make such a difference to the community in Cumbria. Please contact me via email or post if you are happy for me to publicise your award.

Yours sincerely

Julie Barton
High Sheriff of Cumbria
